RE: Case No. 2008-00434  
Amend Application

Upon review of our Purchased Water Adjustment Application, a discrepancy was found in the number of gallons purchased from the City of Louisa. The corrected number of gallons should be 77,265,100, this changes the increased water cost to \$9271.81. The purchased water adjustment factor should be 4 cents/thousand. If you have any questions, please call (606) 928-2075.

Sincerely,

James H. Blanton  
Manager
